Dear ██████████ ✕

## Noise nuisance from Hadyard Hill windfarm

Pinwherry and Pinmore Community Council wish to express their concern and support for ██████████ ✕ and his family at Laih Tralorg and ██████████ at High Tralorg in the area of ✕ Hadyard Hill windfarm.

For years their lives have been made a misery and their health badly affected by the noise and shadow flicker from the turbines at Hadyard Hill. We are pleased to hear that South Ayrshire Council's Environmental Health team are now taking their problems seriously and providing support and advice.

We hope appropriate enforcement action will now be taken by South Ayrshire Council.

Pinwherry and Pinmore Community Council would appreciate being kept fully informed of the action being taken by Environmental Health to deal with these issues.

We are faced with many other proposed wind turbines in our area and residents need to be assured that this situation will not be repeated.

Yours sincerely

Mrs Claire Pirrie  
Secretary

✕ Cc ██████████, SAC Planning Officer  
✕ ██████████, SAC Environmental Health Officer  
Councillor Alec Oattes  
Councillor John McDowall  
Councillor Ian Fitzsimmons  
Scottish and Southern Energy Company
